

YHCAR

Yorkshire and Humber Congenital Anomalies Register

ANNUAL EDUCATION DAY

14TH DECEMBER 2011

10:00AM – 4:00PM

THACKRAY MEDICAL MUSEUM,

BECKETT STREET,

LEEDS,

LS9 7LN

<http://www.thackraymuseum.org/how-to-find-us.html>

Contact: YHCAR 0113 343 9160

Email: yhcar@leeds.ac.uk Web: www.yhcar.org.uk

Target Audience : All Healthcare professionals involved in Antenatal, Neonatal and Paediatric care.

By the end of the Education Day participants should :

- Understand the aims and function of Congenital Anomaly Registers, including the research outputs and opportunities possible with data from registers.
- Have an understanding of the antenatal screening programs and issues influencing screening uptake.
- Have an appreciation for the complexity of care required in treating children with congenital anomalies and how advances in genetics are improving care for children with rare diseases.

Program of Talks/Presentations:
